Specifications

Dimensions
- Blister dimensions (WxDxH): 15.8 x 7.4 x 24.4
- Blister weight: .46 kg
- Master carton quantity: 6
- Outer carton dimensions WxDxH: 16.7 x 31.1 x 26.2

Highlights

Auto shutdown
The auto shutdown ensures that when your car is parked and you are still using the AC mains device, it will never completely drain the battery.

Overload protection
The overload protection will protect your equipment and yourself in the event of an electrical overload.

Short circuit protection
The short circuit protection will protect your equipment and yourself in the event of a short circuit.

Compact size
The inverter has a compact design for easy storage and usage.

Polarity protection
The input polarity reverse protection ensures you cannot install the inverter wrongly.
